DESERT EDGE MEDICAL

Office & Financial Policy Agreement

Thank you for choosing Desert Edge Medical for your medical care. We are committed to providing you with quality, personal health care, and appreciate your commitment to adhere to this **Financial Agreement.** By understanding our policy, we can provide you with the best service. Agreement with this policy is required for all medical care.
Except as indicated below, ***payment is required at the time services are provided*** unless other arrangements have been made in *advanced.* We accept cash, personal in-state checks, VISA, MasterCard, Discover, and American Express credit cards. There is a **$40.00** service charge for returned checks.

As a courtesy to other patients, we request you arrive on time. If you arrive more than 15 minutes late, you may be asked to reschedule. Same day sick appointments are available, but still needs to be scheduled. For after hours/weekend emergencies, please call the office first. A message will guide you to the Doctor-On-Call.

***PLEASE INITIAL NEXT TO THE FOLLOWING PARAGRAPHS AFTER YOU HAVE READ AND REVIEWED THEM.**

_____ **Insurance:**We participate in most managed care plans and will bill your insurance plan as may be necessary. If we do not participate with your managed care plan, payment in full is required at the time of service, unless other arrangements have been made in advance. We may be able to bill your plan as a courtesy to you and credit your account if we receive any additional payment. Knowing your insurance benefits – including eligibility, covered benefits, and medically necessary procedures is ***your*** responsibility; please contact customer services at your insurance company for questions you may have regarding your coverage. ***You are responsible for any charges not covered by your plan.***

Proof of insurance: All patients must complete and/or update our Patient Information Form at each office visit. You must furnish valid and up-to-date proof of insurance coverage and a copy of your driver's license. If you provide false or expired insurance information you will be responsible for the balance of the claim. **Please notify us of any changes in insurance coverage prior to time of service.** Insurance denials for termination of coverage will be automatically billed to you.

_____ **Co-payments and deductibles:** All co-payments and unsatisfied deductibles must be paid at the time of service. By contractual law your insurance company requires us to charge for, and you to pay for, all required co-payments, co-insurances, deductible and non-covered services.

_____ **Claim submission:** We will submit your insurance claims and assist you in any way reasonable to help get your claim paid. Your insurance company may need you to supply information directly to them. It is your responsibility to comply with their request in a timely manner. Please be aware that the balance of your claim is your responsibility to pay whether or not your insurance company has paid. We are not a party to your insurance contract.

_____ **Collections:** Any unpaid account balance after 90 days may be assigned to a collections agency. If sent to collections, you will be responsible to pay all attorney fees, court costs, filing fees, including a collection fee up to 40% which will be added to the outstanding balance with or without suit.

_____ **Out-Of-Network Care:** Please be aware that you have an option to seek care from Physicians even though they are not participating in your network. In this situation, your out-of-pocket expense will be greater. As a courtesy to our out-of-network patients, we will file your insurance claim if you desired, and offer a 10% reduction from our usual fees. It is the responsibility of the insured to make sure we are in network with your plan.

_____ **Missed Appointments:** Missed appointments are not only a cost for us, but also an inability to provide services to others who could have been seen in the time set aside for you. ***We require 24 hour notice of cancellation*** to avoid a ***$25.00 cancellation fee.*** It is your responsibility to remember your appointment. **Excessive missed appointments may result in termination of care.**

Additional Services, Charges and Patient Responsibility:*Some of the following administrative services require payment. The services that do require payment may be billed directly to you with payment being your responsibility as they are not covered by insurance.* All such administrative fees must be paid prior to scheduling future appointments.

Referrals: If your managed care plan requires approval or authorization for referrals to a specialist, radiological imaging, medical facility care, *etc*., it is *your* responsibility to inform the office of this requirement *prior to* referral. We require 72 hours notice to facilitate a referral request and cannot issue retroactive referrals.

Prescription Refills: New prescriptions will not be issued without first seeing your Physician. Prescriptions for acute or chronic conditions are written with the appropriate number of refills to complete the course of treatment or to last until your next appointment. All prescription requests are taken only during regular office hours and filled within 48 hours.

Prior Authorizations (prescriptions): We will honor prior authorization requests from the patient, but the patient is responsible for contacting their insurance company to have them forward to the prior authorization form to our office. Any request for a ***forced change*** in your medication by your insurance company will require an office visit. The patient will need to ask their insurance plan what "alternative medications" are covered and then provide a list to their Physician. Once submitted, if a prior authorization is then ***denied*** by the insurance, an appointment will need to be scheduled to discuss other medication options. ***Please note that appeals will not be submitted once a prior authorization is denied.***

_____ **Request for medical records:** In accordance to **HIPAA's Privacy Policy**, Desert Edge Medical requires written requests for the release of medical records. The administrative fee associated with retrieving and copying medical records is based on whether they printed or electronically faxed. Please take this into consideration when requesting copies of your medical records. ***To print medical records, Starting fee for the first 40 pages is $0.50 per page. Additional pages will be $0.25 per page. There will be a service fee of $15 added on top of page count fee. Payment is due prior to the printing of records. (If you want records mailed, there will be a mailing fee added. This will be determined based off of cost for postage.)***

I AUTHORIZE DESERT EDGE MEDICAL CO TO FURNISH INFORMATION TO INSURANCE CARRIERS CONCERNING MY MEDICAL TREATMENT, AND ASSIGN TO THIS PRACTICE ALL PAYMENTS FOR MEDICAL SERVICES RENDERED TO ME AND/OR MY DEPENDENTS. However, regardless of insurance coverage, I agree that it is my responsibility to pay all amounts owing as set forth herein. In the event any amount is referred to a third party debt collection agency, I agree that in addition to any other amount allowed for by law, (such as interest, court costs, reasonable lawyer's fees, etc) I will also be responsible for a collection fee of up to 40% of the principal amount owing as allowed by Utah code annotated sec. 12-1-11. The terms of this paragraph shall apply to all amounts incurred by me or by any individual for whom I have legal responsibility whether such amount are incurred today or after today.

I have read, understand and agree to comply with the terms of your Office & Financial Policy.
